/Broker/

The Client authorises hereby, the Broker to represent the Client and act in Credit Insurance matters and Insurance Guarantees, hereinafter referred to as **Mediation**. The Mandate does not cover other types of insurance.

The **Mediation** means the acting of the Broker on behalf of the Client, which consists in:

- **offering the possibility to contract, to change or to terminate insurance**, including comparison of insurance
- **submission of proposals** to contract, to change, or to terminate insurance
- **carrying out further preparatory work** to contract, to change, or to terminate insurance
- **to perform the tasks necessary to procure the Client's insurance interests**, for example to support the granting of insurance limits by the insurer
- **providing advice** to contract, to change, or to terminate insurance
- **assistance with insurance management**, incl. the Brokers access to the on-line system of the insurer
- **assisting in the exercise of the Client's insurance rights**

The Broker is entitled to authorize a third party to act.

**The Broker is not allowed** to contract, to change or to terminate insurance, neither to take over insurance indemnity.

Until the time of signing the Brokerage Agreement, the relationship is governed by the terms of the Order Contract (No. 89/2012, Civil Code). The Client confirms to the insurer the client's claim for reward for the Mediation of the insurance for the following insurance period, according to the Distribution Act (No. 170/2018).

The Client explicitly declares that on the date of granting this Mandate, all other Mandates (Proxys) granted (for Mediation of Credit Insurance matters and Insurance Guarantees) with third parties have expired or been cancelled.
